Sound Doctrine Conference
April 25-26, 2025

The Christian faith is not built on ambiguous faith. Rather we who are in Christ are called to have a definable object of our faith. His name is Jesus Christ. But who Jesus is, isn't left up to our preferences or opinions. The Bible is clear, we must believe certain things about Jesus to be saved.

Join us at this year's Sound Doctrine Conference to discover how historic Creeds and Confessions have helped shape and protect the church from all sorts of false gospels. Not only do these creeds and confessions protect the church, but they also help us to live lives in accordance with sound doctrine.
