The Church | Pillar and Buttress of Truth

To claim that truth is relative is an open attack on the church. We know this because the church is a pillar and buttress of truth. To attack truth is to attack the church. But what does it mean to be a pillar and buttress of truth? What does this mean for the church and what does this mean for the Christian?

At this year's Sound Doctrine Conference we will be dealing with these very questions. Join together with other believer to thoughtfully consider the weight and glory of the precious truth of who the church is.

"I hope to come to you soon, but I am writing these things to you so that, if I delay, you may know how one ought to behave in the household of God, which is the church of the living God, a pillar and buttress of the truth." (1 Timothy 3:14-15 - ESV)

BOOKS

Did we mention that we love to give away books? Each year we gather together some useful books that promote sound doctrine and godliness.

[One set of books per household.]

COST

This conference is FREE. It is made possible by the sacrificial giving of FBC Fortuna and generous supporters. If you would like to donate you may do so at the conference or online at fbcfortuna.churchcenter.com
